ANTENNE LOG PERIODICHE CON FILTRO STUB BREVETTATO

Log Periodic Aerials with patented stub tuning

Antennes Log Périodiques avec filtre stub breveté

• AGGANCIAMENTO AL PALO Mast Clamp / Etou au mât

In polarizzazione orizzontale, il cavo terminato deve restare nella culla superiore per evitare la penetrazione dell'umidità.

In horizontal polarisation, cable termination must remain on the upper boom for effective moisture equalisation to occur.

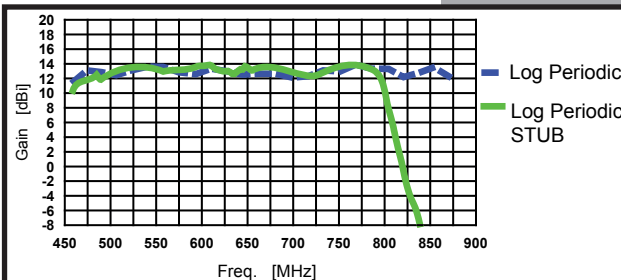

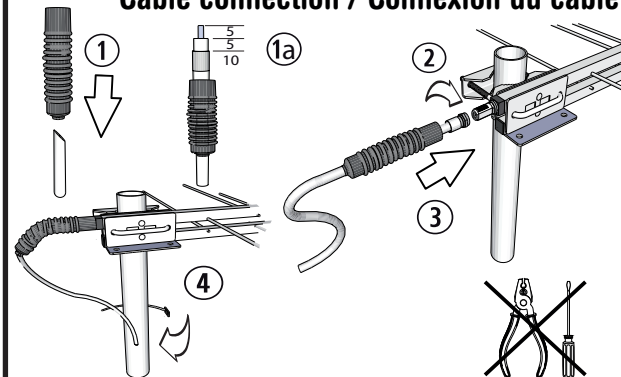

En polarisation horizontale, le câble terminé doit rester dans le berceau supérieure pour empêcher la pénétration de l'humidité.

Assemblaggio polarità orizzontale
Horizontal polarity assembly
Montage en polarité horizontal

Assemblaggio polarità verticale
Vertical polarity assembly
Montage en polarité verticale

• CONNESSIONE CAVO Cable connection / Connexion du câble

Si raccomanda l'installazione a regola d'arte rispettando le normative CEI vigenti

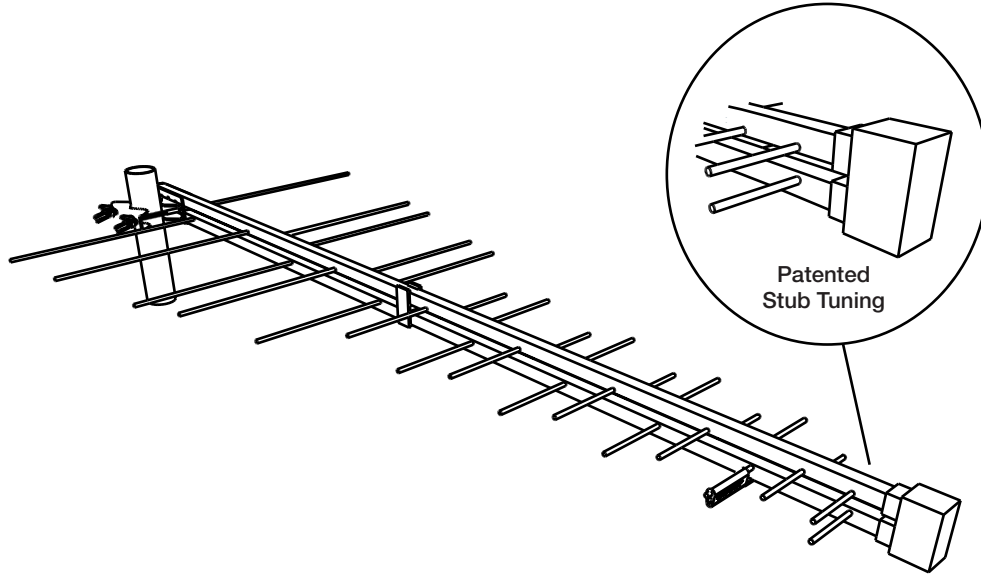

We strongly recommend a professional installation following the current regulations

On recommande que l'installation soit professionnelle et conforme aux réglementations en vigueur

Protezione ambientale

I prodotti elettrici di scarto non devono essere smaltiti con i rifiuti domestici. E' opportuno riciclarli laddove esiste il servizio: verificare presso le autorità locali o il rivenditore per suggerimenti sul riciclo.

Recyclage

Dans le but de réduire le plus possible l'élimination des déchets électriques et électroniques, ne pas jeter cet appareil en fin de vie avec les autres déchets municipaux non triés, mais dans un centre de recyclage.

Environmental Protection

Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice.
